Foundation Exam Study Tool

By Zain E. Yousaf Fuentes

To get started and begin a problem set, click the **Settings** icon and select the categories you want to practice. Then hit *BEGIN* to start practicing. After you press *BEGIN* after every category problem set selection, you must start the timer yourself on the *first* question. Every question in the current problem set afterwards just press Start/Stop to progress through.

NOTE: If you do not select any of the categories and hit *BEGIN*, you will be practicing ALL categories.

You can make notes in the **Whiteboard**.

You can also view your previous questions in **History**.
